

Policy:

This website is owned and operated by IBC Medical Services (IBC), and IBC Medical Services is committed to protecting the privacy of your personal information.

IBC Medical Services is an independent training institute established in 2000 and has been training Medical professionals for the last 18 years, teaching nearly 4,000 Physicians annually. IBC is the partner company of the American Academy of Aesthetic Medicine (AAAM) in the Middle East, Indian Subcontinent and North Africa. IBC also partners with prestigious British University Hospitals & Royal College of Obstetricians and Gynaecologists (RCOG) courses for Obstetricians and Gynaecologist in Medical Ultrasonography, Laparoscopic & Bariatric Surgery and many other Super Medical & Surgical Sub-Specialties.

The American Academy of Aesthetic Medicine is dedicated to teaching physicians who have a scientific and clinical interest in exploring the Aesthetic Medical facet of their practice. AAAM teaches the art, science, techniques, and procedures of Aesthetic Medicine to licensed physicians, regardless of specialty.

AAAM offers the most prestigious Board Certificates in a 3-part program i.e. Level 1, Level 2 and Level 3 - Board Certification Examination. Also, AAAM trains & certifies specialized procedure-based master courses such as e.g. Hair Transplant, Liposuction, Botox and Fillers, Face Thread Lift, Fat Grafting, Rhinoplasty, Aesthetic Gynaecology, PRP, Mesotherapy and many more. All Courses are taught by highly acclaimed & experienced International Faculty offering USA certification.

Cookies: Cookies are small bits of data cached in a user's browser. It is possible to set most web browsers to reject cookies, accept, or delete these files. However, the refusal or removing cookies may obstruct your user experience. IBC Medical Services (IBC) utilizes cookies to determine whether or not you have visited the home page in the past. However, no other user information is gathered.

Other Website: IBC Medical Services (IBC) is not responsible for the privacy policies of websites to which it links. If you provide any information to such third parties different rules regarding the collection and use of your personal information may apply. We strongly suggest you review such third party's privacy policies before providing any data to them. We are not responsible for the policies or practices of third parties. Please be aware that our sites may contain links to other sites on the Internet that are owned and operated by third parties. The information practices of those Web sites linked to our site are not covered by this Policy. These other sites may send their cookies and collect data or solicit personally identifiable information. We cannot control this collection of information. You should contact these entities directly if you have any questions about their use of the information that they collect.

Information Security Controls: IBC Medical Services (IBC) takes appropriate steps to ensure data privacy and security. However, IBC Medical Services (IBC) cannot guarantee the security of any information that is disclosed online.

Payment Policy: A place in the course will be confirmed following receipt of registration and course fees. Once a seat has been allocated there shall be no refund whether full or part course fee is paid. While we make every effort to run courses as advertised, we reserve the right to change the timetable and/or teaching staff without prior notice and to cancel/postpone any course without liability (in which case there will be a full refund of course fees received).

Modification of the Privacy Policy: The Website Policies and Terms & Conditions would be changed or updated occasionally to meet the requirements and standards. Therefore, the Customers' are encouraged to frequently visit these sections to be updated about the changes on the website. Modifications will be effective on the day they are posted".

Suggestions from your end: For any other queries please contact our customer service desk at +9714 337 0400

Advertising and Analytics Services Provided by Others

- Google Ads: We use Google to display advertising on our website. Google logs when users view specific pages, allowing them to serve ads on this site and other sites about goods and services that may be of interest to you.
- Facebook Ads: We use Facebook to reach the exact audience. Facebook is the most targeted form of advertising. We can advertise to people by age, interests, behavior, and location.
